Are you available this Thursday at 7am EST (12pm uk 8pm Taipei) for a call with Maggie of Cathay Life? This will be a 2007/2008 review of the investment team's strategic thinking plus your thoughts on 2008 allocations, you will effectively be taking the role of head of investment committee as well as chester/irongate/chester h fof manager. You should probably not push horizons as the two year lock will be hard to get through Cathay Life hierarchy. If 7am am doesn't work, would 8am or 9am be better? Thanks

Dear Richard,  
OK how about this Thursday night?  
I can do it at home or office.  
I'll let you know my contact so I'll ask you to call me from your side.

Still not sleep in NYC? You're also a diligent one!

Maybe we could have a talk with Andrew...  
Or you prefer to talk to me just by you?  
Thinking of asset allocation, I'd like to have your team join us if possible.

Dear Richard & Annie,

Thank you for the close follow-up for the deal.  
Thank you for the good performance, too!!  
We shall have more connection in the coming year.  
Market didn't perform well in Nov & we still expect choppy environment afterwards.  
I'd like to discuss further about the strategy thinking....  
Is it possible to arrange some conference call next week?  
That'll be good for our allocation consideration.  
We'd like to take your opinion for reference!  
Thank you much!!

Have a great weekend!

Maggie

Hi Richard and Annie,

We're waiting for DDQ-Cathay format, is everything go well?

Also, could you mail me PPM & update presentation materials for Sentry if any?

For the coming meeting with you, we'd like to spend some time talking about your product niche.

It's a pity we didn't too much time talking about your products in NY.

Hope this time we could go through all the interesting parts.

It seems Fairfield does have many multi-branding products, L/S, Asia....

We could spend sometime to talk about that.

Looking forward to seeing you!
